AKWL- E-News Letter No 22,

Date 10-07-2010,

Dear Members

AKWL is now four years and three months old organization and passed through infancy towards maturity with your help. We have started to provide tangible results for growth of the members , win -win situation for both, and to serve the society in general . AKWL has organized many joint venture programs with Indian Industries Association and IMRT Business School. In future we intend to have joint venture with National HRD Network, Lucknow chapter also. I will like to share following information with you

1. Programs conducted / meetings of working groups after 6-4-10:

13-6-10	EC Meeting including special invitee
28-5-10, from 3.30 to 7.30 pm	Workshop on Goal setting ,resource person Mr Akshay Wal ,HR Consultant. Inauguration by Dr Vikrant Makhija, Head-HR, reliance Communication
4-6-10, from 3.30 to 7.30 pm	Workshop on Time Management ,resource person Mr Akshay Wal ,HR Consultant. Inauguration by Mr Rajiv Goyal, GM-HR, UPRVUNL

Presentations and photographs of the event have been hosted at our web site, delegate fees was charged for workshops

II. Our programs planned in 2010 are being organized on following themes

Few Events planned for 2010 :

- A panel discussion on applications of Emotional Intelligence for performance improvement in July 2010, as joint venture with IIA
- A Conference on communication technologies *in collaboration with* Internet and Mobile Association of India and Sahara Next
- Mega event for improving employability of professional graduates, faculty members etc. with support of UPTU / GoUP / other organizations

- A program on applications of **Enterprise Resource Planning** , resource persons to be invited from users, implementation team of ERP etc
- A program on applications of Data Center/ data ware house,for industry, resource persons to be invited from users, implementation team
- U.P. Bio event in Lucknow on lines of Bangalore Bio in collaboration with local CSIR labs, Biotech Park, CII, FICCI, ASSOCHAM, ABLE and U.P. Government in 2009.
- Awareness program on certification of IT software developers by CMMI, USA, joint venture with Sahara Next
- AKWL School for Capacity Building activities, , throughout the year, for ICT / Manufacturing and Service industry etc, **improvement of technical and soft skills**
- AKWL members meet

III. Way Forward

1. To Activate Working groups of AKWL and continue joint venture programs with IIA, NHRDN etc

2. Development of Information and Communication Technology & BPO industry at Lucknow , with support of IIA, GOUP.

A meeting in chamber of the Chief Secretary, GOUP on 24-5-10, regarding creation of SEZ for IT industry at Lucknow. Minutes of the meeting are available at our web site www.akwl.org. We are pursuing UP Housing Development Board and LDA for land allotment with IIA. We will seek help of NASSCOM also on a positive response from UPAVP and LDA to invite reputed firms/ MNC to have their centers/ branches at Lucknow

Member's suggestions for way forward are solicited.

AKWL needs volunteers to organize events and various other activities. As most of the existing members are VIP/ entrepreneur they do not have time for AKWL, hence I am looking towards young professionals to come forward. **AKWL is in search for a post of Joint Secretary** from such group to improve its overall performance

Membership development: AKWL welcomes following new members , who joined after 6-4-10
